POLICY

1. School profile

Porepukah Primary School is located on the banks of the Ovens River near the foot of Mount Buffalo and adjacent to the National Park. It has an enrolment of around 110 students and serves an accessible rural community that is steadily growing. There has been a Primary School in the township of Porepukah since 1873 and the school boasts a long tradition of community involvement, pride and a real feeling of ownership. Porepukah Primary School has a history of commitment to the best interests of its students, their educational development, their long-term welfare and their overall safety.

Porepukah Primary School has a First Nations student population of 4%. The school does not have any refugee students and has a small percentage of students who are able to speak a second language. The school supports 3% of students on the Program for Students with a Disability and 11% of students with a recognised disability supported through the Disability Inclusion Support Fund. All staff are skilled at supporting students at their point of need and the motto of: 'everyone gets what they need' is enacted daily.

Porepukah is a place where learning is valued and supported by all. We believe this level of value and support contributes directly to the achievement of successful outcomes for all our students. This culture of high expectations directly links to the care and commitment from the staff who create learning environments, which aim to improve student outcomes. We have an experienced and stable staffing profile to enable the best learning to take place every day.

Porepukah Primary School prides itself as being a central part of the community. We have a shared responsibility for the education of all students. Our school promotes an open-door policy where members of the community are encouraged to be part of the learning process.

School values, philosophy and vision

Porepukah Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of persistence, kindness and respect at every opportunity.

The school vision is to work together as a school community to empower every learner to reach their potential. This one that places every learner at the centre, to ensure all students achieve success in their learning.

Our purpose is to create an inclusive, safe and high-quality learning environment where learners are guided in the development of a love of learning, healthy self-esteem, rising to challenges, developing confidence, independence and are happy, positive children who strive for excellence through lifelong learning.

At Porepukah Primary School we value persistence, kindness and respect.
