

Porepukah Primary School

December 2023

Dear parent/guardian,

Porepukah Primary School is looking forward to another great year of teaching and learning and would like to advise you of Porepukah Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

The environment and resources that we enjoy today represent the contributions made by our parent community over many years. The voluntary contributions make a significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children. Your support in 2023 allowed us to:

- provide high quality programs and specific subject materials and equipment for English, Mathematics, Digital Technologies, Humanities, Science, Design Technology, The Arts, Music, Inquiry, Italian and PE
- maintain sufficient class sets of books for students to develop their reading skills
- provide hands on maths equipment such as measuring materials for teaching purposes
- maintain and enhance our school library with new books and resources
- facilitate Literacy and Mathematics online digital subscriptions
- deliver a range of sporting equipment and access to sport programs
- ensure the upkeep of our computer devices to enhance learning opportunities
- replace outdated projectors with new Interactive Whiteboards in every classroom
- arrange for individual student supplies and class bulk supplies
- maintain and develop the school grounds
- offer effective first aid for all students.

Educational items for students to own – YEAR FOUR STUDENTS

Below is a list of items that the school recommends you purchase for your child to individually own and use. Stationery items should be high quality and not include stationery 'toys' which can distract from learning. Please ensure all individual items are **clearly labelled with your child's name** and brought to school on the **first day of the school year**. It is important that your child has all the necessary stationery requirements for the first day of school, so that they can fully participate in planned lessons. Spare stationery items should be placed in a clearly labelled snap lock bag and sent to school on the first day of the school year. If you already have any of these items, please re-use them for 2023. These items may need to be topped up during the school year.
